*Maximum initial battery voltage (measured without a workload) is 20 volts. Nominal voltage is 18.

Terms and Conditions: This is not a game of chance. Void where prohibited. Offer only available at participating American Producers Supply retail locations. Some items available via special order only. Offer valid on purchases made through 9/31/2023, while supplies last. All federal, state and local laws and regulations apply. Redemption items will be provided at the participating retail location following the purchase, after receipt of original invoices. DEWALT reserve the right to limit number of redemptions per customer and/or transaction. American Producers and DEWALT reserves the right to provide alternate redemption items of equal or greater value. Offer valid only for product end users. Amounts on flyer do not include taxes. Offer not valid with any other offer or promotion. Trade-In/Discount offer only valid for purchasers trading-in professional grade non-DEWALT comparable product and if the trade-in is a cordless power tool, must include charger and at least one battery. All submitted trade-ins become property of DEWALT, and will not be returned. Offer subject to change without notice. No cash value. Products may differ from that pictured. Does not affect function. The descriptions, specifications and other claims made with respect to the products featured in this advertisement are made as of the date of printing. DEWALT retains the right to discontinue production of or make changes to any of its products without notice. Product packaging and product manuals should be consulted for current descriptions, specifications and other claims relating to DEWALT products.
