Simpson Strong-Tie's acceptance of Buyer's Purchase Order is expressly conditioned on Buyer's assent to Simpson Strong-Tie's Terms and Conditions of Sale, incorporated herein and available at www.strongtie.com/invoiceterms ("Terms"). Simpson Strong-Tie rejects all additional or conflicting terms in Buyer's Purchase Order or related documents. This communication constitutes a counteroffer, and any shipment or performance by Simpson Strong-Tie is subject solely to the terms set forth herein. Payment of Simpson Strong-Tie's invoice by Buyer confirms acceptance of this counteroffer and Buyer's agreement to be bound by these Terms, regardless of any conflicting or additional terms in Buyer's forms or communications. Any future terms proposed by Buyer that conflict with or add to these Terms are rejected and will not be binding unless expressly accepted in a writing signed by an authorized Simpson Strong-Tie representative. No waiver or modification of these Terms is valid unless in a signed writing by an authorized Simpson Strong-Tie representative.

Simpson Strong-Tie has recently implemented software to improve our resale exemption record-keeping in order to better comply with state and local sales tax laws. These laws require that tax is collected for shipments into their states. To avoid being subject to sales tax, a resale exemption for the ship-to state is required. If you believe you have been charged sales tax in error or have any questions, please contact us to discuss: taxcolumbus@strongtie.com. Please provide the invoice number in question to make the process as efficient as possible.

Export Control
The goods being shipped are subject to local and U.S. import / export and international trade laws, regulations and restrictions (collectively, the "Export Regulations") and any export, transfer, re-export, or other disposal of any of these goods, either in their original form or after being incorporated into other items, to any other country or to any person other than the person identified herein, is the sole responsibility of the exporter. Simpson shall not be shown as the exporter on any export / re-export shipping paperwork where Simpson is not the actual exporter. Any person reselling, transferring or otherwise disposing of these goods is solely responsible for complying with all applicable Export Regulations.
